

# About Us

**F**amilies and businesses can tap into Greater Horizons to quickly and easily create a personal, family or corporate foundation fund to further their philanthropic goals.

Greater Horizons offers donors the opportunity to donate cash, appreciated securities, real estate, closely-held stock and other assets.

Greater Horizons was created by the Greater Kansas City Community Foundation to help

donors with their charitable giving no matter where they live.

Greater Horizons' capacity and expertise in accepting traditional and hard-to-value gifts, combined with its public charity status, offer donors the opportunity to establish a fund and take advantage of the best tax savings possible while supporting their favorite charitable organizations in their local communities as well as throughout the U.S.

By partnering with Greater Horizons, donors enjoy several of the features available through a private foundation and more, including ease of establishment, privacy, no annual excise tax payments and no government reporting requirements.

In addition, Greater Horizons' administrative services and investment flexibility provide a full range of options for donors' unique charitable giving needs.

**Do your charitable interests reach far and wide?** We have a solution. Call us today to find out how Greater Horizons can customize a giving plan for you.
