

Fundraising Guidelines

We are honored to work with donors like you who are enthusiastic about using your fund to make an impact in your community. While Greater Horizons does not sponsor or assist with fundraising efforts, you may solicit donations for your fund. These guidelines describe the ways in which others can support your fund at Greater Horizons.

CONTRIBUTIONS TO THE FUND

Greater Horizons will only receive purely charitable contributions into your fund. This means the person making the contribution cannot receive any goods or services in exchange for the contribution.

Check Donations: Individuals and businesses may contribute directly to your fund by mailing checks to our lockbox: PO Box 505661, St. Louis, MO 63150-505661. Checks should be made payable to Greater Horizons, noting your fund name or six-digit fund ID on the memo line. Greater Horizons will mail a tax receipt for donations that are \$250 and above.

Credit Card Donations: Greater Horizons can create a temporary online giving form to collect credit card donations to your fund. There is no cost to create an online giving form. Individuals will receive a tax receipt via email upon making their contribution. To set up an online giving form, please contact us at info@greaterhorizons.org.

Crowdfunding: Greater Horizons **cannot** receive funds raised through a third-party or crowdfunding source such as Facebook, GoFundMe, PayPal, YouCaring, etc.

Applying for Grants: You may **not** use Greater Horizons' federal tax ID number (EIN) to apply for grants.
