## Purpose

The Social Impact Pool invests in organizations that are treating employees and customers fairly and are creating opportunities for the least advantaged. This diversified portfolio allows you to align your investments with your charitable goals while investing in companies taking the lead in providing fair wages, healthcare, and other benefits to employees and community members. The portfolio also has a dedicated allocation to emerging BIPOC-led or women-led investment funds that support reducing systematic racial and gender inequalities in the asset management industry.
